

BACHELOR OF EARLY CHILDHOOD EDUCATION (BIRTH TO FIVE)

(Domestic students)

Turn your passion into a career with UC, the home of hands-on teacher education.

Embrace the power of learning through play to make a lasting impact on a child's development.

Whether you're starting your journey in early childhood education or are already employed in the sector, UC's Bachelor of Early Childhood Education (Birth to Five) offers a unique teaching qualification to empower you with the skills and knowledge to progress your career in a variety of settings.

Focus on the power of learning through play and discovery and specialise in making a lasting difference during the pivotal years of a child's development. You'll also gain a solid understanding of advocating for individuals and the early childhood sector, learning to lead with diversity and inclusion in mind.

With more real-world practice than any other course of its type, you'll graduate industry-ready with the transferable skills to adapt to new situations and settings, increasing your confidence and employability.
