Benefits:

- Interactive, Connected & Collaborative
- Develop Critical Problem-solving Skills
- Simple Timetables
- Early Feedback
- Small Classes

**VU Block Model
in 60 seconds**

Block Model Postgraduate

- 8 week blocks, two units in each block.
- At VU, most full-time units have three three-hour sessions per week for first 6 weeks. Followed by a three-hour workshop in Week 7. Week 8 will be break.
- More focused timetables allows students to connect with peers, teaching staff and industry partners.
- Block classes are interactive sessions where you are empowered to share ideas, debate concepts and explore learning opportunities.
- Typically students finish block on a Friday and receive the results the following Monday, taking away uncertainty and a long wait for results.

Academic & Student Support

- **Workshops:** We deliver a suite of workshops throughout the academic year. These workshops are designed to help the students transition to a new learning environment and will equip them with the knowledge and skills to thrive in your studies.
- **Peer Tutoring:** We employ student tutors who have achieved high grades to help the students with the studies if they need additional support.
- **Course Advice:** Our course coordinators can help the students with a range of enquiries, including advanced standing, unit selection and course progression.
- **Individual Support:** Our learning support advisers can assist the students if they have concerns about an assessment or content being covered in a unit.
- **Learning Hub:** The Learning Hub is a welcoming study space that provides library services and information literacy guidance.
- **International Student Support:** As a VU Sydney student, they have access to student support offered by the University as well as services offered by ECA.
