

Teaching the next generation of learners

**Study our unique courses:
Bachelor of Early Childhood Education and
Bachelor of Early Childhood Education and Leadership.**

Become an in-demand early-childhood teacher, equipped with effective leadership skills and practical experience at Victoria University Sydney and Brisbane campuses with our Early Childhood Education International Scholarship.

At VU Sydney and Brisbane, you will learn to support children to feel capable and confident. You'll build a strong sense of social justice, understand child development in the early years and develop ethical professional teaching practice that includes Indigenous perspectives. By adding a fourth year to your bachelor degree, candidates can open the door to a higher-paid salary, senior roles in early childhood education and management positions in childcare centres.

“

I appreciate everyone’s support and assistance throughout my study; I will repay their kindness and generosity by educating young citizens and helping the community.

”

Sara Hamidavi
Bachelor of Early Childhood Education

Become an in-demand early-childhood teacher with practical experience

The Bachelor of Early Childhood Education (EBEC) is a comprehensive program designed to equip students with the knowledge and skills necessary to excel in the field of early childhood education. With a duration of three years, this course prepares students for a rewarding career nurturing the development and wellbeing of children from birth to five years.

At VU, students will learn to support children to feel capable and confident. This course aims to build a strong sense of social justice, understand child development in the early years and develop ethical professional teaching practice that includes Indigenous perspectives.

Follow the QR code below for more details.

Enhance your bachelor degree with leadership skills

The Bachelor of Early Childhood Education and Leadership (EBCL) is for those aspiring to take on leadership roles in early childhood education.

This course builds on our three-year Bachelor of Early Childhood Education with a fourth year dedicated to in-depth understanding of leadership skills, global perspectives in education, politics and policy of education and in-depth play-based education.

Plus, a key focus of your fourth year will be a research inquiry project on a topic of your choice relating to early childhood education.

The modern, multicultural Sydney and Brisbane campuses

The VU Sydney campus is located right at the heart of Australia’s biggest and brightest city. The VU Brisbane Campus is located in Fortitude Valley, a well-known entertainment precinct of Brisbane.

Our experienced academics and student services team are committed to supporting your studies and ensuring you graduate with the skills, knowledge and confidence to succeed in your future career.

When you study at VU Sydney and Brisbane, you’ll benefit from the award-winning VU Block Model®, an innovative style of higher education. You’ll study one or two subjects at a time, in small, interactive classes. This immersive and engaging method has resulted in higher pass rates and improved results for our international students.
