I appreciate everyone's support and assistance throughout my study; I will repay their kindness and generosity by educating young citizens and helping the community.

Sara Hamidavi
Bachelor of Early Childhood Education

Become an in-demand early-childhood teacher with practical experience

The Bachelor of Early Childhood Education (EBEC) is a comprehensive program designed to equip students with the knowledge and skills necessary to excel in the field of early childhood education. With a duration of three years, this course prepares students for a rewarding career nurturing the development and wellbeing of children from birth to five years.

At VU, students will learn to support children to feel capable and confident. This course will help you to build a strong sense of social justice, understand child development in the early years and develop ethical professional teaching practice that includes Indigenous perspectives.

Start studying this degree at VU Sydney or Brisbane in 2024 and you'll benefit from our Early Childhood Education International Scholarship, saving 20% off tuition fees for the full duration of the course.

Enhance your bachelor degree with leadership skills

The Bachelor of Early Childhood Education and Leadership (EBCL) is for those aspiring to take on leadership roles in early childhood education.

This course builds on our three-year Bachelor of Early Childhood Education with a fourth year dedicated to in-depth understanding of leadership skills, global perspectives in education, politics and policy of education and in-depth play-based education.

Plus, a key focus of your fourth year will be a research inquiry project on a topic of your choice relating to early childhood education.

Start studying this degree at VU Sydney or Brisbane in 2024 and you'll benefit from our Early Childhood Education International Scholarship, saving 20% off tuition fees for the full duration of the course.
