Why Private Higher Education?

Our focus is on supporting our student's wellbeing, experience and their education

- Free student counselling service
- Over 90% of our teachers have PhDs and industry experience
- Brand new computer labs and libraries at each location
- National student surveys place us well above other providers and universities when it comes to student satisfaction:

Why should you pay for research and facilities you do not use?

- Millions of dollars in research funding
- Expensive laboratories and facilities for niche research that students do not use
