Specializations:

• Cyber Security

CHS:

Master of Health Management
(CRICOS: 106941G)

Key Dates:

- **Term Period:** 2 December 2024 – 24 January 2025
- **Last Day to save your spot:**
 - **Onshore:** 29 November 2024
 - **Offshore (Subcontinent):** 9 October 2024
 - **Offshore (Non-Subcontinent):** 16 October 2024

Important Note:

If you have Recognition of Prior Learning (RPL) that prevents you from enrolling in the available units, you can either revoke the RPL to join Trimester 3 Intensive or defer to Trimester 1 2025, which starts on 10 February 2025.

Seize the chance to complete a unit in a fast-tracked trimester and get closer to your goals! With limited spots available, make sure to submit your application before the deadlines.

Available unit: PRJ5003, PRJ5107, BUS1001, BUS2003, HM002

Trimester 3 Intensive Details:

- This intake is available for students in Sydney and Melbourne (Brisbane coming soon).
- You can complete one unit during this intensive period.

LOCK IN YOUR SEAT BEFORE 2025

Apply now and kickstart your future with APIC or CHS this December!

Let's get social
