### Terms & Conditions:

1. The maximum duration for the English for Academic Purposes (EAP) course is 10 weeks.
2. If the student fails to pass the EAP course within the allocated 10 weeks and requires an extension, the student must pay for any additional weeks of study beyond the initial 10 weeks at the current course rate.
3. If the student withdraws from the university program before completing the minimum 18 months, the student will be required to pay the full EAP fee, even if it was initially subsidised or waived.
4. If the student withdraws from the current intake and defers to the next available intake due to the need for additional EAP weeks (extension), the scholarship will still apply, provided the student meets all other eligibility criteria.
