teacher in just 3 years.*

Career opportunities

- Children's advocate
- Early Childhood centre teacher
- Early Childhood tutor
- Education consultant
- Youth support

In this program you will

- Plan, assess and evaluate play-based intentional learning and teaching activities using age-appropriate resources.
- Support children's learning through play, creative imagination and problem solving skills.
- Promote health, emotional, and wellbeing concepts that contribute to children's sense of agency and self-regulation.
- Foster literacy through story reading, oral language, drama and early reading instruction.
- Nurture inclusion through considerations of culture, individual capabilities, and learning needs – including disability.
- Use reflection-for-action to improve practice and enhance your impact.

Program structure

- Introductory courses (8) 96 units.
- Developing courses (10) 120 units.
- Graduate courses (6) 72 units.

Total courses: 24

Total units: 288

Entry requirements

Entry into this program requires the completion of an Australian Year 12 qualification or its equivalent. To learn more about the admission requirements for undergraduate programs, please scan the QR code below.

English language requirements

IELTS (Academic): Overall score of 6.0, with a minimum of 5.5 in each subtest. For IELTS equivalencies, scan the QR code below.

*Early childhood teachers who have completed a three-year birth-five early childhood qualification can be registered with a condition on their South Australian teacher registration to teach in early childhood settings and lead in the provision of teacher-led, high-quality play-based education in preschools, kindergartens, and long day care centres.
