Bachelor of Education Studies (Early Childhood)

This ACECQA-approved program offers in-depth knowledge and hands-on practice to teach and lead in early childhood settings for children aged birth to five. Graduates with a three-year qualification can register with a condition on their South Australian teacher registration to teach in early childhood settings and lead in the provision of teacher-led, high-quality play-based education.

Career opportunities: Graduates can pursue careers in various early childhood settings as children's advocates, early childhood centre teachers, early childhood tutors, education consultants, youth support workers, and more.

Annual fee 2025	20% International Bright Futures Scholarship	CRICOS Code	Location	Commence in trimester	Duration (years full-time)
A\$31,030	A\$24,824	115024C	Adelaide	July 2025	3

*Program fees are reviewed and set annually. Fee reduction scholarships are applied to the gross annual fee set for each year. Therefore, the actual fee payable by continuing students in 2025 and beyond will be dependent on any inflationary adjustment to the gross fee.
